### About This Game

Features:

- Training Modes: Survival (AI), Target Practice (AI), Build Race and Edit Race allow you to practice specific skills, or just load up Sandbox and do whatever you want!
- Survival: Practice your full skillset: Build, Edit, and Shoot to see how long you can survive against wave after wave of AI that moves, takes damage, and shoots back!
- Target Practice: Improve your aim, tracking, flick shots, and even boxing up the enemy against an AI that runs around, including critical damage to the head!
- Build Race: Test your ability to build quickly and efficiently by running a race through a series of sky rings on your way to the Finish Line!
- Edit Race: Train your ability to Edit quickly and efficiently while navigating a maze of structure to the Finish line!
